

UNderstanding and Improving the Sustainability of agro-ECological farming systems in the EU – UNISECO (773901)

PROJECT WORKSHOP

Venue:
Online Workshop, technical details will follow.

Date:
13th and 14th of May 2020

Draft agenda (all times CET)

13th of May 9:00 - 15:00

Day 1		
Case studies of agro-ecological transitions		
Time	Topic	
09:00	Welcome and introduction of participants	
09:30	Introduction to the workshop - setting the scene	
10:00	Case studies of agro-ecological transitions: <ul style="list-style-type: none"> • Sharing of the results of the assessment of current market and policy instruments • Discussion of EU policy implications and exchange of experiences across Europe • Identification of innovative market and policy instruments for promoting agro-ecological transitions 	<i>Short presentations and discussions in break-out groups and plenary; <u>organised in sub-sessions with comfort breaks</u></i>
12:30	Lunch break	
13:30	Visualising impacts of agro-ecological transitions <ul style="list-style-type: none"> • Sharing of the preliminary SESSIT online tool and its functions including Story Maps of agro-ecological transitions • Discussion of the functions of the tool and identification of key functions and results 	<i>Short presentations and discussions; <u>organised in sub-sessions with comfort breaks</u></i>
15:00	End of day 1	
15:00	End of day 1	

14th of May 9:00 - 15.00

Day 2:		
Scenario development for sustainable food systems and territorial level modelling of agro-ecological transitions		
Time	Topic	
09:00	Short introduction of the day and reflections on the previous day	
09:30	Towards scenarios for sustainable food systems and agro-ecological transitions at territorial level <ul style="list-style-type: none"> • Presentation and discussion of revised storylines and the translation of these storylines into scenarios of agro-ecological transitions at territorial level • Exploring the implementation of innovative agro-ecological practices of the case studies at wider territorial level 	<i>Presentations and discussions in break-out groups and plenary; <u>organised in sub-sessions with comfort breaks</u></i>
12:30	Lunch break	
13:30	Multi-actor approach in the UNISECO project: Emerging lessons for future research	<i>Presentations and discussions in break-out groups and plenary</i>
14:30	Summary and next steps	
15:00	End of workshop
